Issue No. 4

Date: 4/7/2012

Changes Coming to Walnut Grove

Two new stages are coming to Walnut Grove. We are in the planning stages of creating a depot and jail in an "all-in -one" 50 foot stage. The jail will be rather traditional since you will shoot through the door and window of this stage front, however the depot will be set forward so you will enter through the door and shoot from under cover of the loading platform out back. Note picture on second page.

We are also happy to report that the pistol and rifle targets have been moved closer. No more long range rifle targets. This makes acquisition of the rifle targets much quicker and faster. We're also going to make the shotgun targets a little more varied. No more 10-10-4. There maybe 3 or there could be 6 shotgun targets per stage. We're looking into buying a few larger targets as well. As long as the attendance is there we should have those larger targets by the end of the summer.

New Shooters and Visitors

Over the past year we have had several folks come out and shoot with us. Some have joined and become Rangers, others have come out to see what's going on. I'm pleased to announce two new members to the Rangers, **Johnny Nash** and **Tiger River Ralph**. Hope you enjoyed your first trip to the Grove.

Clean Match

This section of the Gazette is set aside to recognize those pard's that shot a Clean Match and received a Clean Match Token.

Brown Summit Kid

Marshall Plankshade

Catoosa

Walking Bear

Anniversaries, Birthdays and Special Events

Please let me know if you are having a Birthday, Anniversary or if there is a special event or something happening that is special to you that you would like the rest of the gang to know about. Please email me at the email address listed below.

Safety Matters

First, Last and Always

Our sport, by its very nature, has the potential to be dangerous and a serious accident can occur. Every participant in a SASS match is expected to be a safety officer. Each shooter's first responsibility is for his or her own safe conduct, but all shooters are expected to remain alert for actions by others that are unsafe.

Help Wanted!

Our next Set up day will be on Sunday April 29th at 3:00. Targets will need to be placed, dry runs will need to be preformed and the targets need to be painted. The more help we get the less time is expended. It's hard to set the range with only 2 or 3 people.
