“Bold Day Time Heist!”

A bold day time bank robbery was attempted this past Saturday at the Walnut Grove Bank. Luckily the Rangers were in town for their monthly meeting to foil the Bostic Bandito's. Om. G. Johnson (bank teller) was asked his thought of the ordeal. “I thought it was the end, when I looked up and saw the muzzle of that big .44 staring at me. I think I may have pee'd a little.” Mrs. Opal Peacock fainted dead away, but was recovered after seeing Dr. Barlow. “I was at the bank to deposit a check my son sent me from Bel Fuch. Then the ruckus started. Scared me half outta my wits.” All in all only a few of the Rangers were injured, several of the Bandito's were placed under arrest and the rest of them were shot and killed.

New Shooters and Visitors

Over the past year we have had several folks come out and shoot with us. Some have joined and become Rangers; others have come out to see what's going on. I was very happy to see a few visitors that came to see what we do. It's good that more people are coming to watch the Rangers. Hopefully we will get some new shooters from it.

We were glad to see two of the High Country Cowboy's down off the mountain and in the Grove This past Saturday.

Lightening Louie and Two Pair made the trip and seemed to enjoy the action around Walnut Grove.

Clean Match

This section of the Gazette is set aside to recognize those pard's that shot a Clean Match and received a Clean Match Token.

Anniversaries, Birthdays and Special Events

The Night Match AKA “FIRE IN THE GROVE” was a HIT! The lighting was really good and everyone in attendance gave high praise to the Rangers for a fun and entertaining match. The only thing that could have been better was setting time aside for the meal. The next time we hold a night match we'll have to schedule an hour or so before the match for everyone to get together for a little dinner time.

Safety Matters

First, Last and Always

Our sport, by its very nature, has the potential to be dangerous and a serious accident can occur. Every participant in a SASS match is expected to be a safety officer. Each shooter's first responsibility is for his or her safe conduct, but all shooters are expected to remain alert for actions by others that are unsafe.

Awards

The Monthly Awards have been overlooked the past couple of months and for that I do apologize. I will try my best to make the Monthly Awards a higher priority on my list of "things to do" on a monthly basis.

Help Wanted!

We will be setting up again on **April 28th, 3:00**. If you are available to lend a hand, it would be very much appreciated.

Thanks goes out the Hiem, Twogun Terry, Munson Madman and Dirty Skunk for getting the job done on the Church. It looks wonderful.

Another thank you to the above mentioned for the great job setting up for the night match.

The Rangers are also going to look into the possibility of having the R.O. I and R.O. II Classes scheduled after a couple of matches this coming year.
